

## *The Colours of Sicily- Oct 24- Nov 5, 2025*

Carlson Maritime Travel

*Join me on a magical, educational tour of Sicily this Fall to experience the island's sights, vibrant mosaic of cultures, unique foods, extraordinary Mount Etna vineyards, art, and famous architecture, and so much more. Sicily has been inhabited for over 10,000 years and its strategic location at the center of the Mediterranean has made it a crossroads of history, a pawn of conquest and empire, and a melting pot for more than a dozen ethnic groups.*

*On this tour we will encounter Baroque churches, lavish palazzos, UNESCO World Heritage sites such as the ancient city of Agrigento a Greek colony established in the sixth century BC, as well as the late Baroque towns of Noto and Syracuse, while enjoying the culture of this unique island.*

*There are a limited number of spaces available for the tour. We will have room for 20-25 passengers. Confirmation of the tour will be done with payment of deposit. I appreciate having you contact me at Carlson Maritime Travel to secure your reservation as soon as possible.*
